The parties have requested a change to the case schedule extending the deadline to file dispositive motions from November 1, 2012 to December 1, 2012. ECF No. 50. The parties' dispositive motions are currently set for hearing on December 13, 2012. Thus, an extension of the deadline would also require a new hearing date. Unfortunately, the Court's law and motion calendar simply cannot accommodate a motion hearing at any later date that would not necessitate a significant postponement of the trial. Accordingly, the parties' request to extend expert discovery is DENIED.

**IT IS SO ORDERED.**

Dated: October 19, 2012
